

Riya Designing Studio

Introduction

Riya Designing Studio founded by Satya Lakshmi. She started this venture after years of experience of working under a designer. It is a local boutique in Hyderabad, situated in Banjara hills. She initially worked as a contract designer for telugu television dramas and moved up her way to clients. She has 172k followers and her sales are majorly from instagram and Whatsapp. As her venture started to grow she bought in a partner, through this partner she started Men's and Children's wear. They are currently focusing on Bridal wear .

SEO & Social Media Strategy

Growth Strategy

- Current Presence- 172k Instagram followers, no website or blog.
- On Page SEO-
 1. Enhance Customer-Generated Content (UGC)
 2. Exclusive Video Series (Video SEO Boost)
- Video SEO - Launch engaging series to boost visibility.
- Off Page SEO - Collaborate with Fashion Bloggers.
- Content Strategy - Start a blog on styling tips & ethnic wear trends.

SEO & Social Media Strategy

Social Media Plan

- Current Presence - Strong on Instagram but lacks Pinterest and YouTube.
- Platform Expansion - Launch Pinterest and improve WhatsApp Business.
- Content Creation - Use Reels & Stories for engagement.
- YouTube Strategy - Start a channel for styling tips and trends.
- Influencer Marketing - Collaborate with local fashion influencers.

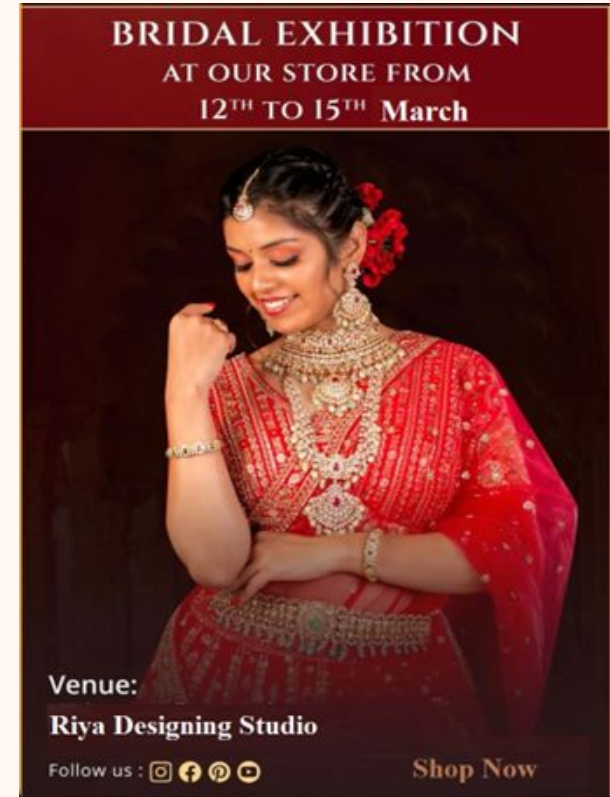

SEM PLAN
